ON PETITION

This is a decision on the renewed petition under 37 CFR 1.378(c), filed November 29, 2012, (Certificate of Mail Date November 18, 2012), to accept the delayed payment of a maintenance fee for the above-identified patent.

The petition is **DISMISSED**.

If reconsideration of this decision is desired, a petition for reconsideration under 37 CFR 1.378(e) must be filed within TWO (2) MONTHS from the mail date of this decision. No extension of this two-month time limit can be granted under 37 CFR 1.136(a) or (b). This is **not** a final agency action within the meaning of 5 U.S.C. § 704.

Any petition for reconsideration of this decision must be accompanied by the petition fee of \$400 as set forth in 37 CFR 1.17(f). The petition for reconsideration must include the lacking item(s) noted below, since, after a decision on the petition for reconsideration, no further reconsideration or review of the matter will be undertaken by the Director.

A petition to accept the unintentionally delayed payment of a maintenance fee under 35 U.S.C. 41(c) and 37 CFR 1.378(c) must be accompanied by: (1) a statement that the delay was unintentional; (2) payment of the appropriate maintenance fee, unless previously submitted; (3) payment of the surcharge set forth in 37 CFR 1.20(i)(2). This petition lacks items (2) and (3) above.

Regarding items (2) and (3), the check applicant submitted on November 18, 2012, bounced for insufficient funds. Therefore, the 7.5 year maintenance fee (\$1,450.00), the surcharge fee set forth in 37 CFR 1.20(i)(2) (\$1640.00), the petition for reconsideration fee (\$400.00) and the fee for the bounced check (\$50.00) is required to reinstate the above-identified patent.

As stated in the decision mailed September 28, 2012, "The file does not indicate a change of address has been submitted, although the address given on the petition differs from the address of record. If appropriate, a change of fee address (form PTO/SB/47) and a request for customer number (form PTO/SB/125) should be filed in accordance with Manual of Patent Examining Procedure, section 2540. A courtesy copy of this decision is being mailed to the address on the attachment to the petition. However, the Office will mail all future correspondence solely to the address of record."
